Privacy Statement

If you are submitting personal details, credit card numbers, or other information over the internet which you wish to remain private, please note that, while all attempts are made to secure information transmitted to this site, there is a possibility that information you submit could be observed by a third party while in transit.

You can make a request to view, ask the webmaster about any information stored about you on www.tonywakefield.com.au. You may also make a request to have this information removed from the live website.

Information logged

Bluehost.com (which hosts tonywakefield.com.au) makes a record of your visit and logs the following information for statistical purposes - your server address, your top level domain name (eg. .com, .asn, .org, .net, .au, .uk etc.), the date and time of your visit to tonywakefield.com.au, the pages accessed and documents downloaded and the type of browser used.

No attempt will be made to identify you or your browsing activities except, in the unlikely event of an investigation, where a law enforcement agency may exercise a warrant to inspect smartyhosts.com.au logs.

Electronic mail addresses

We will only record your e-mail address if you send us a message or you register as a User of www.tonywakefield.com.au. It will only be used for the purpose for which you provide it, and will not be added to a mailing list unless you request that this be done (see, for example, the following paragraph). We will not disclose it without your consent.

Registration/Subscriptions/Passwords

Some pages of this internet site are for registered users only. Also as a user you may wish to subscribe to email mailing lists. To subscribe to these services users must provide a valid email address. That email addresses will only be used for the purpose for which you have provided it and you will not be added to any other mailing lists unless you specifically request that this be done. Email mailing list addresses are stored securely and can only be accessed by Tony Wakefield or authorized agent. Your email address will not be disclosed without your consent.

Your registration Password is encrypted as you register and then stored in this encrypted format in a database. When you "log in" the password is again encrypted by the same key and then a match takes place to allow entry. If you loose your password a new unique one will be automatically generated and emailed to you. It is your responsibility to change this when you log in and at regular intervals.
